

## **Celestica Named to the Global 100 Most Sustainable Corporations in the World for the Second Consecutive Year**

January 27, 2016 10:05 PM EST

TORONTO, Jan. 27, 2016 /PRNewswire/ - Celestica Inc. (NYSE, TSX: CLS), a global leader in the delivery of end-to-end product lifecycle solutions, today announced it has been named to the 2016 Global 100 Most Sustainable Corporations in the World (Global 100) Index by Corporate Knights.

Companies named to the Global 100 index are the top overall sustainability performers in their respective industrial sectors, selected from a base of 4,608 listed companies. The Global 100 is determined using twelve quantitative sustainability indicators in areas including relative energy and water consumption, greenhouse gas emissions, waste production and board diversity.

"We are extremely honoured to be included on the Global 100 list for the second consecutive year," said Todd Melendy, Vice President Sustainability and Compliance, Celestica. "This recognition represents the strong progress we are making on our sustainability journey and reflects the hard work and dedication of our 26,000 employees around the globe in fostering a company-wide culture of sustainability."
