- **IT Service Partner Award category:** IBM Corporation, HCL Technologies

This marks the seventh year of Celestica's *TCOO Supplier Awards* program, which evaluates and recognizes the top performers in Celestica's global network of over 3,000 suppliers. Celestica's TCOO system is focused on evaluating supplier performance by measuring the total cost to produce, deliver and support products and services beyond the supplier invoice price. As such, it considers the following supplier attributes:

- Quality:** Delivering superior products and services
- Delivery:** Providing products and services at the right time, in the right quantity and at the right price
- Technology:** Utilizing the best information, product manufacturing and delivery technologies
- Service:** Placing the customer as the number one priority and ensuring communication across every step of the process
- Pricing:** Delivering competitive pricing based on volume purchasing through global procurement
- Flexibility:** Responding to customers' market demands for product, service and solution delivery worldwide

"We are pleased to recognize these distinguished companies for their exceptional performance and ongoing commitment to our company's strategy," said Paul Blom, Chief Procurement Officer, Celestica. "Delivering innovative solutions to our customers in today's dynamic business environment requires an agile and flexible supply chain, and I would like to thank our supplier award winners and honourees for their support throughout 2012."
