TORONTO, June 20, 2024 (GLOBE NEWSWIRE) -- [Celestica Inc.](#) (TSX: CLS) (NYSE: CLS), a leader in design, manufacturing, hardware platform and supply chain solutions for the world's most innovative companies, has amended its existing senior secured credit agreement ("Existing Facility")*, with an upsizing of the total facility to \$1.5 billion ("Amended Facility") to support continuing growth.

The Amended Facility consists of the following key changes to the Existing Facility:

Revolving loan facility upsized to \$750 million (the "Revolver")

- Increases the revolving loan commitments from \$600 million to \$750 million.
- Maturity date extended from March 2025 to June 2029.

New Term A and Term B loans with a total original principal amount of \$750 million (the "Term Loans")

- Replaces (and terminates) the two existing term loans (aggregate of \$604 million outstanding) with (i) a new term A loan in the original principal amount of \$250 million (the "Term A Loan"), with a maturity date in June 2029, and (ii) a new term B loan in the original principal amount of \$500 million (the "Term B Loan"), with a maturity date in June 2031.

Remaining Term Loan proceeds, as well as amounts available under the Revolver, are permitted to be used for general corporate activities.

Canadian Imperial Bank of Commerce and CIBC World Markets Corp., MUFG Bank., Canada Branch and Crédit Agricole Corporate and Investment Bank (Canada Branch) acted as Joint Lead Arrangers, Joint Bookrunners and Co-Syndication Agents.

All dollar amounts are denominated in U.S. dollars.
