"We are pleased to recognize this year's TCOO™ award winners and honourees for their exceptional performance and ongoing commitment to support Celestica's supply chain strategy and overall business objectives," said Paul Blom, Chief Procurement Officer, Celestica, "These companies play an important role in our future as we continue to build an agile and intelligent supply chain that will continue to enable us to provide innovative solutions that accelerate our customers' success."

This marks the ninth year of Celestica's TCOO™ *Supplier Awards* program, which evaluates and recognizes the top performers in Celestica's global network of over 4,000 suppliers. Celestica's TCOO™ system is focused on evaluating supplier performance by measuring the total cost to produce, deliver and support products and services beyond the supplier invoice price. As such, it considers the following supplier attributes:

| | |
|---------------------|---|
| Quality: | Delivering superior products and services |
| Delivery: | Providing products and services at the right time, in the right quantity and at the right price |
| Technology: | Utilizing the best information, product manufacturing and delivery technologies |
| Service: | Placing the customer as the number-one priority and ensuring communication across every step of the process |
| Pricing: | Delivering competitive pricing based on volume purchasing through global procurement |
| Flexibility: | Responding to customers' market demands for product, service and solution delivery worldwide |
