"We are pleased to recognize this year's TCOO™ award winners and honourees for their exceptional achievements in helping us to drive speed, flexibility and innovation through our supply chain," said Paul Blom, Chief Procurement Officer, Celestica. "These companies play an important role in our future as we work together to build a more intelligent and flexible supply chain to enable our customers' success and to meet the market demands of tomorrow."

Celestica's TCOO™ Supplier Awards program celebrates the achievements of the top performers in Celestica's global network of over 4,000 suppliers. Celestica's TCOO™ system is focused on evaluating supplier performance by measuring the total cost to produce, deliver and support products and services beyond the supplier invoice price. As such, it considers the following supplier attributes: quality, delivery, price, flexibility, innovation and technology.
